1 Comparative Structure: **N 보다**

Usage: Used to compare two things, meaning "than" in English

Structure: [Noun A] + 보다 + [Adjective/Verb]

Note: The word order differs from English - 보다 comes after the second noun being compared

2 Expressing Wishes: **A/V-았/었으면 좋겠다**

Meaning: "I hope" or "I wish"

Usage: Expresses the speaker's hope or desire for something

Nuance: Used when something is less possible or most likely will not happen, with more emphasis on the wish
